

Orienteering Tasmania

Code of Conduct

Tasmanian Juniors

As a member of any Tasmanian Junior Team I agree:

- to obey directions from the Team management, event organisers and any other responsible adult at all times during training camps, travelling to and from and whilst attending Championships and associated events.
- to demonstrate good sportsmanship on all occasions.
- not to engage in any behaviour that would bring the sport or myself into disrepute.
- to accept that there is a total ban on (i) the use of drugs (except on medical prescription), including alcohol and tobacco (ii) any other behaviour outside the law and (iii) the driving of vehicles without the permission of Team officials.
- if I need to leave the team for any reason, my 'parents' must obtain prior approval from the team officials and I must be signed over to another responsible adult, e.g. a relative.
- to abide by OT's uniform policy

I understand that any breach of the Code of Conduct above may result in penalties such as being dropped from the Team and sent home and/or being barred from selection for a period of time or other disciplinary actions deemed appropriate by Team officials.

Signed:
