7.0 TASMANIAN ORIENTEER OF THE YEAR

Until 2003 the Orienteer of the Year was the male (course 1) and female (course 2) with the highest TOS points. From 2004 to 2014 award was made to the male (course 1) and female (course 2) with the highest 5 out of 7 TOS points and 3 out of 4 SL points combined (course 1). In 2015 the TOS and SL series were combined to form a single series – Orienteering Series Tasmania (OST). In 2015 and 2016 the awards were made to the competitors with the highest OST points from any course. From 2017, the Orienteers of the Year are the male (M21) and female (W21) with the highest OST points on Course 1 and 2 respectively (subject to having competed in that course in a minimum of Z events (where Z is decided by the OT Statistician, typically at least half the events)).

9.0 THE JOHN BRAMMALL PERPETUAL TROPHY FOR INDIVIDUAL EXCELLENCE IN ORIENTEERING

This trophy was originally donated by the UFO club (later amalgamated into WROC) and until 2015 was presented each year to the orienteer gaining the most club points in the TOS competition using an adjusted minutes per km system based on age and gender.
