

Club Running Gear

Australopers gear is made to order and takes 6 weeks or so to arrive., We also have to order in batches of 5 or more, so if you want something, email Cathy@cakewoman.com and I'll put it into the next order. I'll give you details for payment once it has arrived.

Sizing:

Please note, the sizing is small – in order to get the right size the best strategy is to find someone about your size wearing an Australopers top and find out what size it is!

Long Sleeved Race Shirts (in black only) \$40 for your first one, \$65 thereafter.

2nd hand tops for kids!

Does anyone have smaller sizes your kids (or you) have grown out of? There are lots of younger kids who would love a 2nd hand top for the short time they will fit into it! Please let me know if you have anything to pass on.
